Description

The Conceptronic ETTA13B12 2-in-1 USB 2.0 Cable combines high-power USB-C charging with a convenient integrated phone stand. It supports USB Power Delivery up to 240W and data transfer speeds up to 480Mbps, making it suitable for a wide range of USB-C laptops, tablets and smartphones.

The integrated stand provides hands-free viewing for video calls, streaming and everyday use without requiring an additional accessory. With a 1.2m cable length, the ETTA13B12 offers a practical combination of charging, data transfer and device support.
