

- a powerful and versatile wet & dry vacuum cleaner

The Multi II is a good companion to the Do it yourself person in any house.

It is also a good second vacuum cleaner dedicated to dirt and debris inside as well as outside the house, car or the like.

The Multi II - the second generation of Multipurpose vacuum cleaners - offer a filter cleaning indicator on all models. This is a warning telling you that the vacuum is loosing performance and it is about time to clean or replace the filter.

The Multi II also offers a Push&Clean function to clean the filter. This function is a semi-automatic method of cleaning the filter by creating an airwave hitting the filter from inside out.

The combination of filter cleaning indicator and Push&Clean function makes this machine a truly unique offer. Together these features ensures a consistent high cleaning performance.

The Multi II flagship model also offers Variable Suction Control that may come in handy when you need to reduce the suction power of the efficient 1400 W motor

- Filter clean indicator for continued performance
- Push&Clean, a semi-automatic filter cleaning function
- Sturdy build with a robust 1400 W engine for long life
- High suction power for efficient cleaning
- Blow function for optional cleaning
- 30 l container with good net filling capacity
- Polypropylene container for easy cleaning
- Variable Suction control and Inox container offered as a variant
- Soft start by attached powertool
- Steel tubes included
