Headset converter(mobile) > PC

Item no.:

508-67

EAN: 5705730508677

5 Years Warranty

Many headsets for smartphones connect to the phone's 4-pin combined audio input and output. A PC typically has two sockets: an audio output and a microphone input. This adapter converts the single connector on headsets to a dual connector for your PC, allowing you to use your phone's headset with your PC.
