U-Lock Facilo 32

Art. no. 37887

Technology

- 12 mm, hardened steel round shackle
- ABUS quality lock cylinder

Operation and use

- Basic protection at low theft risk
- Recommended for securing entry level bicycles
- The longer the shackle, the easier the bicycle can be locked to a fixed object

Transport

- USH 32 – Universal bracket with easy mounting on round frames with a diameter of 15-35 mm
