FLOW

the curved one

The shape of this carafe flows as beautifully as its contents. The asymmetric lid gives this compact design momentum. A whole litre and a completely elegant design.

FLOW SLIM

the one with the straight lines

The model among bottles. Delicate lines, a high waistline, graceful and slender. The FLOW SLIM is the focal point of any table.

FLOW CLASSIC

the classic one

Fits in with any style of interior design. Modestly attractive. Simply a sales hit!

New packaging – the perfect way to stand out at the PoS

FLOW BOTTLE

the dynamic one

A new take on the established bottle shape. The outline flows seamlessly from the base to the tip. Glass and stainless steel are combined to exciting effect. Beautiful simplicity.

Strong product range, strong growth.

Baking is back in style. Some 17 million people bake on a regular basis in Germany alone.* And 28.7 % of households that bake do so at least once a week.**

Whether it's for Easter, Christmas, birthdays or for guests – people are baking, decorating, garnishing and transporting their own creations. EMSA offers a competent baking range for all of this – from a single source.

Simply: Be sweet!

EMSA Freshness Seal

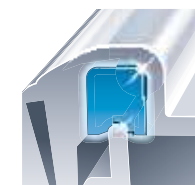

Conventional seal

100 % leak-proof.
Because everything
stays where it is.

100 % safe – 100 % leak-proof.
Simply nothing gets through the
EMSA freshness seal – no liquids,
no odours.

100% hygienic.
Because germs
are kept out.

EMSA food containers have a
unique seal without any gaps.
Therefore no germs are able to
accumulate. Food stays fresh
longer. Scientifically proven!*

100 % safe.
Because even baby food
stays fresh and nutritious.

Today's parents are more demanding
than ever. Perfect, because not only
are EMSA food storage containers
100 % BPA-free, but also the only food
storage containers manufactured in
compliance with the Babycare norm.
And adults also want the very best
quality for themselves.
