SMARTMOUNT®

Universal Flat Wall Mount

FOR 32" TO 50" DISPLAYS*

The SmartMount® Universal Flat Wall Mount series offers the most versatile installation features and mounting options. Horizontal and vertical adjustment abilities allow for post installation leveling and side-to-side positioning, making it easier than ever to find the perfect TV position. The SF640(P) models' low-profile design offers a sleek, aesthetically pleasing look to fit into any décor. Security screws provided in the SF640 models deter tampering and theft. The open wall plate design offers total wall access, increasing the electrical and cable management options. The display can now simply be installed by a single person with the Hook-and-Hang™ system. The Easy-Glide™ adaptors hook onto the wall plate for a overall quick, simple and secure installation.

- Universal mount fits displays with mounting patterns up to 450 x 405mm (17.72" W x 15.95" H) and accommodates up to 400 x 400mm VESA® mounting patterns
- Low-profile design holds display only 1.20" (30mm)
- Up to 0.25" (6mm) of vertical adjustment on each universal display adaptor bracket for post-installation leveling and height adjustment fine-tuning
- Horizontal display adjustment up to 6.00" (152mm) for centering display on wall
- Landscape to portrait mounting options increases installation versatility. Please check display dimensions against the wall plate when used in portrait mode**
- Includes all necessary wall and display attachment hardware
- Integrated security options available
- Design is UL listed and tested to four times stated load capacity
- For mounts requiring theft resistant hardware, installed with security tool (included), please purchase SF640
- For mounts requiring standard hardware, installed with a Philips screwdriver, please purchase SF640P

Low-profile design for a sleek, yet compact installation.

Comes in color packaging with included installation hardware and easy to follow instructions.

Please visit peerless-av.com/en-us/patents for patent information.

*This display size range is simply a guideline for product selection. Displays larger than the screen size range may still be compatible as long as they fall within the VESA® pattern and max weight of the Peerless-AV® product.

**Requires display to be removed and reset on mount
