WARRANTY CARD

MULTIBRACKETS.COM

MULTIBRACKETS™ Limited Warranty

Multibrackets warrants its products to be free of defects in material and workmanship for the product's Warranty Period. The Warranty Period commences on the original purchase date of the product.

All Multibrackets products are covered by a limited product warranty:

• FIVE (5) years for metal video monitor mounts; all racks and non-electrical rack accessories

• TWO (2) years for gaslifts and sit-stand workstations

• ONE (1) year for all motorized and/or automated products, plastic speaker mounts, all speaker stands; all furniture; all wood (MDF) accessories

For warranty claims made during the Warranty Period, MULTIBRACKETS will replace any defective product part free of charge. Should a part on your Multibrackets product fail, please create an RMA case on www.multibrackets.com/support to make a warranty claim. We will await your documentation and then discuss the problem with you and once we confirm the product is under warranty, we will ship replacement parts to you. This Limited Warranty does not cover the costs of removing and replacing defective parts from your Multibrackets product. So, if your problem requires a repair technician, you must pay any labor charges.

This Limited Warranty extends only to the original purchaser of the product and is automatically void if your Multibrackets product is modified in any way, improperly installed, taxed beyond its stated weight capacity or otherwise misused or abused. All Multibrackets products are intended for indoor use only and any

outdoor use voids this Limited Warranty. The Limited Warranty for wall and ceiling mounts is void if the mount is moved from its initial installation. To the maximum extent permitted by applicable law, Multibrackets disclaims any other warranties, express or implied, including warranties of fitness for a particular purpose and warranties of merchantability. Multibrackets will not be liable for any damages whatsoever arising out of the use or inability to use its products, even if Multibrackets has been advised of the possibility of such damages. To the maximum extent permitted by applicable law, Multibrackets disclaims any responsibility for incidental or consequential damages.

Important Safety

- 1 Be sure this manual is completely understood before installation work.
- 2 Installation or dismounting of the projector from the projector wall mount must be carried out only by qualified service personnel (two or more).
- 3 Use with products heavier than the maximum weights indicated may result in instability causing possible injury.
- 4 For safety reasons, check the strength of the wall before installation. If the wall is not strong enough, reinforce it sufficiently before installation.
- 5 Do not make alterations to the projector wall mount.
- 6 Do not install the projector wall mount on a wall subject to vibration or impact.
- 7 To avoid fire, do not install the projector with the projector wall mount in a humid or excessively dusty place.
- 8 Use the supplied accessories only. Use of accessories other than those supplied may result in damage to the projector wall mount.
- 9 When dismantling the projector from the projector wall mount, be sure to unplug the AC power cord and other connecting cables beforehand.
- 10 Do not hit or hang any heavy objects on the projector wall mount. If the projector wall mount is damaged, stop use and contact a qualified service person immediately.
- 11 Please install this apparatus only on the horizontal surface instead of the slanting one.

* Manufacturer is not liable for any damages or injury caused by mishandling or improper installation.
