

LED Driver IP45 60W | 12V | 5A | Waterproof

Product code: 50949

Qoltec LED impulse power supply in an aluminium housing, characterized by stability and reliability. It is intended for both indoor and outdoor applications. However, care should be taken not to expose the device to direct water flow at a rate exceeding 12.5l / minute. The IP45 degree of protection guarantees ideal solutions for bathrooms, lighting of bathtubs, shower stalls, advertising banners and many others.

It is designed to power LED strips, modules, panels, strips, LED bulbs and many other electronic devices powered with a constant voltage of 12V. Thanks to the highest quality components it meets the expectations of the most demanding customers.

Power: 60 W

Output Voltage: 12 V

Output current: 5 A

Technical data

Output voltage	12 V
Output current	5 A
Usable power	60 W
Warranty	24 months
Gross weight	0,242 kg
EAN code	5901878509495
