FY2420/30

Highlights

Compatibility

Replacement filters for Philips 2000i and 3000i Series air purifiers: AC2887, AC2889, AC2892, AC3829. You can find your air purifier model on the bottom of the device.

Filter lifespan

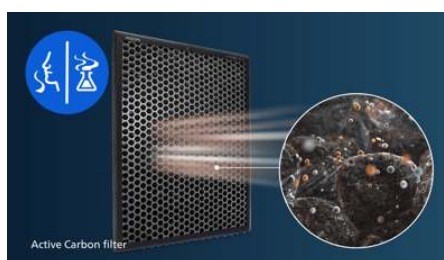

The filters provide optimal filter performance for up to 1 year (2), reducing hassle and costs.

Original Philips filter

The original Philips filter is designed to fit your appliance perfectly. Always use the Philips filter for optimal performance.

Active Carbon filter

The active carbon filter effectively removes volatile organic compounds (VOCs) and unpleasant odours for cleaner, fresher indoor air
