Packing content

1x IB-HUB1418-i3, 1x USB 3.0 Type-A to USB 3.0 20-pin-cable
1x set of screws, 1x quick installation guide

Room for something new

Newly bought or used for a long time - but what is this small bay in a PC case? The 3.5" (floppy) bay in the front of most cases was used frequently in the past, but is now of little significance. The IB-HUB1418-i3 provides three USB Type-C™ and one Type-A connectors to fill the unused space with current connectors.

Technical data

Model	IB-HUB1418-i3
Article no.	60432
EAN code	4250078168201
Brand	ICY BOX
Colour	Black
Material	Metal, 1 mm thick
Space required	1x 3.5" bay
Interface to host computer	USB 3.0 20-pin
Interface	1x USB 3.0 Type-C™ 3x USB 3.0 Type-A
Transfer rate	Up to 5 Gbit/s

HotSwap	Yes
Plug & Play	Yes
Chipset	GL3520 + ASM1543
Power supply	SATA power connector
Total output	5 V, 900 mA
Operating system	Windows®
System requirements	At least one free SATA power connector and internal USB 3.0 20-pin-port must be available on the computer. The case of your host computer also needs a free 3.5" bay.

ICY BOX **IB-HUB1418-i3** Frontpanel with USB 3.0 Type-A and Type-C™ hub

In the infinite depths of the workplace

Take a deep breath. Put the headset down. Push the chair backwards. Take the USB hard drive in your hand. Duck under the desk. Search for a free USB port in the darkness and greet the desktop with your head on the way back. The daily work with PCs with too few USB ports is now a little more comfortable again. The IB-HUB1418-i3 brings all currently required USB ports to the front of your PC.

3+1 is 5 Gbit/s

The USB 3.0 standard provides up to 5 Gbit/s read and write speed, allowing external SATA III hard drives to be full used for the first time. This allows data to be transferred even faster and minimizes waiting time. The USB Type-C™ connection also ensures frustration-free use of USB devices, as these can be connected in a reversible manner.

Not only useful but handsome

Devices that we use every day should not only work, but also appeal to us visually. The IB-HUB1418-i3 with its simple black paint on the stable metal housing would particularly like to please us here - and is very successful.

Logistical data

Packing unit: 40 pcs./carton
Total weight: 11.4 kg/carton
Gross weight: (with packing): 0.265 kg
Net weight: 0.143 kg

Dimension/carton: 340x340x330 mm
Dimension (with packing): 31x151x151 mm
Dimension of article: 137x101x25 mm
