Bit-Box 20 V Robertson, # 2 x 25 mm, 20 pieces

Bits for Square Socket Screws

Set contents:

868/1 V

05066394001 20 x # 2 x 25 mm

Bit-Box

The slide switch allows a simple and gradual removal and reinsertion of the bits. The transparent reverse side means that it is easy to know how many bits are still in the box.

V bits for square recess screws

V bits have a conical profile. The clamping forces thus resulting hold Robertson screws securely on the tip of the tool. Ideal for screwdriving at difficult-to-access places.

Tough-absorbing bits

Tough-absorbing Wera bits (Z) prevent any premature breakage of the drive tip.
