ENTERPRISE MEMORY

Lifetime Warranty Guarantee

Origin Storage are the number one supplier in EMEA for matched, 100% compatible, aftermarket upgrade solutions.

Origin Storage's matched memory solutions offer to our partners the ability to upgrade or extend the life of their clients existing infrastructure with the same high quality components originally used by the OEM such as Samsung, Micron or Hynix with a significant cost saving.

Our matched memory solutions are matched in terms of the bus speed, density, chip configuration and motherboard requirements ensuring we deliver the right product, first time, every time.

Features:

- Doesn't invalidate OEM warranty
- Guaranteed compatibility (using our product configurator)
- All speeds available
- Full OEM compatibility
- Enterprise only
- Lifetime warranty

Specifications:

Target Systems	Enterprise
