

MPN: MO-S-3553LC20D

# SFP 1 Gbps modules, SMF, 20 km, LC, Compatible with MikroTik S-35LC20D (Upstream)

Micro-Optics products provide seamless connectivity for all your current and future network hardware needs.

- **\*\*100% MikroTik Compatible\*\***

## Specifications

|                        |                                      |                      |
|------------------------|--------------------------------------|----------------------|
| Features               | Brand compatibility                  | MikroTik             |
|                        | Certification                        | MSA                  |
|                        | Compatible products                  | MikroTik S-3553LC20D |
|                        | Easy to install                      | Yes                  |
|                        | Plug and Play                        | Yes                  |
|                        | RoHS compliance                      | Yes                  |
| Operational conditions | Operating temperature (T-T)          | -45 - 75 °C          |
|                        | Storage relative humidity (H-H)      | 10 - 85 %            |
|                        | Storage temperature (T-T)            | -40 - 85 °C          |
| Packaging data         | Number of products included          | 1 pc(s)              |
| Performance            | Digital Diagnostics Monitoring (DDM) | Yes                  |
|                        | Duplex system                        | Full                 |
|                        | Fiber optic connector                | LC                   |
|                        | Fiber ports quantity                 | 1                    |
|                        | Interface type                       | SFP                  |
|                        | Maximum data transfer rate           | 1000 Mbit/s          |
|                        | Maximum transfer distance            | 20000 m              |
|                        | Multi-mode fiber (MMF) supported     | No                   |
|                        | Rx wavelength (min)                  | 1550 nm              |
|                        | SFP transceiver type                 | Fiber optic          |
|                        | Single-mode fiber (SMF) supported    | Yes                  |
|                        | Tx wavelength (min)                  | 1310 nm              |
| Vendor information     | Brand Name                           | Lanview              |

|                    |              |           |
|--------------------|--------------|-----------|
| Vendor information | Warranty     | 5 Year(s) |
|                    | Package type | White Box |
