

Product Overview:

Affordable mid tower case with a stylish RGB LED design in the front panel. Comes equipped with a full acrylic side panel to showcase the inside of your rig and an 12cm black fan in the rear to add extra flair to your case. Air vents on the front and sides of the front panel provide superior air flow and circulation. Bring your case to life with 13 preset lighting modes. Conveniently located LED control button allows you to adjust lighting effects for the RGB LED front panel.
