*(1) Calculated average. Lifetime of filter depends on the air quality and usage.

** (2) Compared to standard ultrasonic humidification modules that do not contain additional technology to reduce the spread of bacteria, tested by an independent laboratory

Compatible with 2000 Series, In the box: 1 filter, Lifespan of 6 months, Original Philips filter

FY2401/30

Highlights

Compatibility

Replacement filters for Philips 2000 Series humidifier: HU4801, HU4802, HU4803, HU4810, HU4811, HU4813, HU4814. You can find your humidifier model on the bottom of the device.

Filter lifespan

The filters provide optimal filter performance for up to 6 months (1), reducing hassle and costs

Original Philips filter

The original Philips filter is designed to fit your appliance perfectly. Always use the Philips filter for optimal performance.

NanoCloud technology

No technology releases cleaner water vapour than NanoCloud. Its ultra-fine mist is invisible to the naked eye and extremely difficult for bacteria to adhere to. Humidify air with up to 99.9% fewer bacteria released than standard ultrasonic humidifiers; safe to use with tap water. (2)
