

STEAM IRON 2200W

Model: 6243

Code: 00S624300AR0

EAN: 8003705114272

Top-level design, capacity and features distinguish the 6243 model that, thanks to the bi-directional ceramic plate and a 2200W power, is the ideal iron for a professional, effective and fast ironing. The equipment is completed by the 320ml tank, the ergonomic soft-touch handle, the autocleaning system, the anti-dripping system and the anti-limestone system. Essential and powerful, responds to the expectations of the most demanding users.
