

Name: **Support Projector Ceiling Extension 500-770 mm**
White
Manufacturer: **Techly**

ICA-PM 104MW is a universal ceiling mount for projectors up to 15 kg. It provides a multidirectional positioning with four support arms adjustable that can adapt to a wide range of mounting holes. The cables required for the installation pass in the middle column and therefore are not visible. The column aluminum retractable allows adjustment to different heights. This media projector is perfect for use in classrooms, meeting rooms, hotels, bars and restaurants and much more.
