FREESTANDING VIDEO WALLS

Chief's Fusion® Series freestanding video walls provide a fresh solution for showcasing displays anywhere you want them. The LVM mounts make it possible to construct video walls in prominent locations for temporary situations. LBM mounts are bolt-down solutions for permanent video wall installations. Combine multiple mounts to achieve video walls up to three displays high and any length.

LVM3x3U
Freestanding 3x3 Video Wall Cart

FEATURES

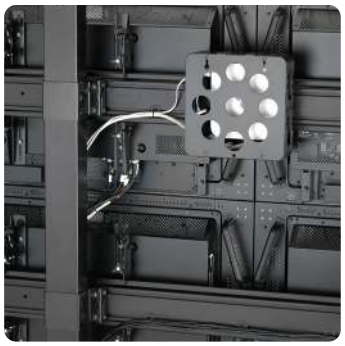

- Independent micro adjustments for height and plumb to easily align displays without tools
- Infinite vertical and lateral adjustments allow for tight display rows and columns
- Integrated cable management for a clean installation
- Landscape and portrait available in most configurations
- Black finish
- Carts include smooth rolling and lockable castors for easy positioning
