

12-24 Server Rack Screws - 50 pack - Nickel-Plated

Product ID: CABSCRWS1224

Versatile Mounting Options

This 50 Pack of 12-24 Server Rack Screws are convenient to have on hand for installing server, network, AV and other computer and storage equipment securely into your server cabinet or network data rack. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act (TAA), allowing government GSA Schedule purchases.

The bulk pack is also suitable for new server rack and cabinet setups - perfect for those times when you drop or misplace a screw. The bulk package ensures that you have enough screws available to bolt all of your rack mount hardware to your rack, when you need to.

Durable Design

These rack mount bolts feature solid steel construction, with a nickel-plated finish to prevent rust.

The Choice of IT Pros Since 1985

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.
