- Cancel button for instant shut-off
- Auto shut-off protects in case of bread jam
- Extra wide slot for thick or thin bread slices

Highlights

Long-slot design

A single, long slot fits virtually any type of bread you choose.

Auto-centring system

An auto-centring rack ensures even toasting on both sides by locking each slice—thick or thin—in the middle of the slot.

8 browning settings

Adjust toasting time for any bread, however you like it.

Defrost mode

Defrost mode effortlessly toasts frozen bread in one go at the touch of a button.

Built-in bun warming rack

An integrated bun warmer heats pastries, rolls, croissants and more.

High-lift lever

A high-lift lever gives small items an extra boost for safe, easy removal.

Removable crumb tray

Easy to keep clean and tidy thanks to the removable crumb tray.

Reheat mode

Reheat mode warms up previously toasted bread in seconds at the touch of a button.

Cancel button for instant shut

The cancel button stops toasting at any time for safe and precise operation.

Specifications
