Welcome to the Ensemble

Notebook holder IB-MSA101-LH is an optional accessory that is ideal for the use in combination with ICY BOX monitor stands. The tray attaches easily to any standard VESA® 75x 75 / 100x100 mm mounting bracket.
Due to the width- and height-adjustable fixations, laptops and other devices with a width of up to 420 mm can be applied.
Whether desk or wall mount, the tray accomodates perfectly into the working environment. Thus, at home or in the office, almost any monitor arm easily offers an ergonomic workstation with ideal typing and viewing qualities. The use of a second monitor, e.g. by combining an ICY BOX double arm monitor holder, enhances your workstation further.
