

CPU Under Desk Mount Bracket

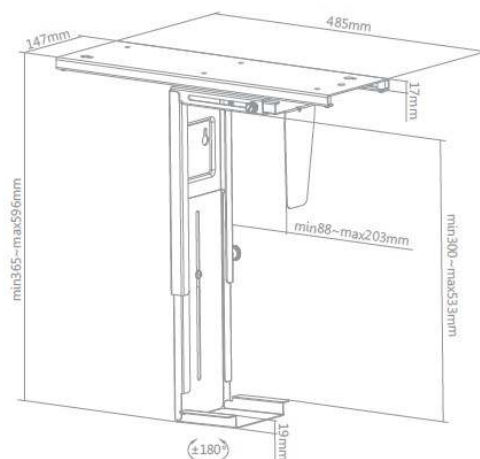

Model No.: 650892

I Overview

The Equip 650892 adjustable under-desk CPU mount allows for the easy and convenient placement of a CPU, getting computing hardware safely off the floor or out from under the desk. A 360-degree swivel ensures easy access to the cables and ports on the back of CPU as well, enhancing the functionality and convenience of your device. Also comes with a sliding mechanism and handy rope, allowing you to pull out the CPU effortlessly. The 650892 is not only a great organizational tool, but also reduces a CPU's internal contamination and therefore extends equipment life.
