

VALUE Cat.6A Keystone, RJ-45, UTP, tool-free, white, silver

Product No.	26.99.0377
Manufacturer	VALUE
Manufacturer No.	26.99.0377
EAN (single piece)	7630049610101

Tool-free

**The low-cost solution for Cat.6A cabling for data rates up to 10Gbit/s!
Cat.6A/Class EA Keystone jack for installation in a Keystone blank 19" patch panel module frame.**

- Toolless mounting - without using a LSA tool: cable wires are simply placed into the guides of Keystone module, the module is closed and compressed - the connection is ready for use
- Cat.6A Keystone Jack (Module) UTP
- Unshielded housing
- Contacts gold plated
- Slim type
- With plastic internal shutter black
- 180 degree cable entry
- Support PoE per IEEE 802.3af, PoE+ per IEEE 802.3at
- For cable AWG 22-24(0.45-0.65mm)
- For cable OD: 5.0-8.5mm
- Color code on the Keystone jacks based on the standard EIA/TIA 568 A & B
- Dimensions (L x W x H): 37.9× 15.8 × 22.2mm

Technical specifications

Manufacturer	VALUE
Product group	Connection technology TP
Product type	RJ45 Keystone Jack
Colour	white
Shield type	Not screened
Transfer quality	Cat6A / Class EA
Assignment	EIA/TIA 568A & 568B
Connection direction	Straight
