Comfort and Customization

With a comfortable design and four different speed settings, the Trust Voca Comfortable Mouse combines ease of use with customization. Thanks to a simple plug-and-play installation, the mouse will be up and running right away.

Quick and Precise

The mouse has four DPI settings, ranging from 800 to 2400. With a quick button press, it will adjust the movement speed to match your personal preferences. From quick to precise: the mouse will be able to handle it.

A Relaxed Grip

The shape of the Voca mouse makes it comfortable to use, even during long sessions. From working to playing, it's there to make your computer experience as fluid as possible.

Plug in and Click

You can start using the mouse right away: installing it is as easy as plugging in the USB connector and it's ready to use.
