- Product dimensions (W x H x D): 268 x 113.5 x 159.3 mm
- Packaging dimensions (W x H x D): 358 x 208 x 150 mm

Highlights

Internet radio
This internet radio is your ticket to thousands of global stations broadcasting every conceivable kind of program. The digital tuner delivers crystal-clear reception and you can set up to 20 presets for your favorite internet, DAB+, or FM stations.

Easy streaming. Epic listening
Streaming from Spotify? This Bluetooth internet radio boasts Spotify Connect. Use your mobile as a remote control while the radio streams Spotify's best-quality signal—directly from the Spotify servers. You can also stream from other music services via your mobile device.

Wireless Qi charging pad
A wireless Qi charging pad sits on top of the radio. For older-style phones, there's a USB charging port. There's a large, clear digital-time display, and key controls are located on the front panel.

Sleek looks
The matte-black wooden cabinet surrounds a large, high-gloss color display, and a black metal speaker grille. The display shows album art and song information from Spotify Connect, and station logos when you use internet radio or DAB.

Dual alarms and sleep timer
The Sleep Timer lets you drift into restful sleep with your favorite radio station playing in the background. The Dual Alarm function lets you set two different alarms. Perfect if you're likely to snooze through the first alarm.
