Display	None

Package	EcoBox
Product size (L x W x H)	310 x 175 x 350 mm
Package size (L x W x H)	390 x 196 x 336 mm
Net weight	2.0 kg
Gross weight	2.45 kg
CE compatibility	Yes
Included accessories	Set of mounting screws
EAN code	5901720135964
Warranty	24 months

Description

The Akyga® AK36BK housing is a product in the **Micro ATX** standard, which advantage is minimalism that allows you to complete a computer that occupies a small space both in the office or at home. Light and small in sized, the product is made entirely in black, ensuring an aesthetic look. It supports motherboards in the following formats: **Micro ATX, Flex ATX and Mini ATX**. The housing allows mounting a graphics card up to **250 mm** long and up to **3 additional fans** supporting cooling. The product architecture is adapted to the installation of disks and drives in **3 internal bays**. **Two 3.5 "and one 2.5"** or two 2.5 "and one 3.5". The front panel of the housing has **two USB A ports**, one in 2.0 standard and one in a much faster **3.0 version**. Above them there are sockets for connecting a microphone and audio equipment.

The product comes with a set of mounting screws, and the whole is packed in eco-friendly **Ecobox**.
