Glue Everything

All purpose glue gun suitable for gluing, sealing joints, and filling gaps, as well as for crafts and decoration projects around the house.

Ergonomic and Safe Design

Compact and light weight design with a built-in stand that allows the glue gun to retain a stable upright position; also includes enhanced safety features such as an insulated nozzle and safety fuse.

Easy to Use

Simply pop in a glue stick, warm it up for 3-5 minutes, then gently pull the trigger and start gluing.

Fits 11.2mm hot glue sticks (WZ0054)
