

# POWERBANK XC10000

Mobile charger

## Technical details

|                  |                                                                                                                                                           |
|------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Battery:         | 10000 mAh                                                                                                                                                 |
| Colours:         | Black & White                                                                                                                                             |
| Battery type:    | Li-polymer battery                                                                                                                                        |
| Connections:     | <b>Output</b><br>USB-A (5V - 2.4A) + USB-C Out<br>(integrated cable, 5V - 3.0A)<br>Total Output: 5V - max. 3.0A<br><br><b>Input</b><br>USB-C In (5V - 3A) |
| Display:         | Blue LED display                                                                                                                                          |
| Characteristics: | Overvoltage protection, discharge protection, overcharge protection, short circuit fuse                                                                   |
| Accessories:     | USB-A to USB-C charging cable                                                                                                                             |
| Dimensions:      | 102 x 65 x 23 mm                                                                                                                                          |
| Weight:          | 210 g                                                                                                                                                     |

INTEGRATED USB-C CABLE

## Article data

| Colour | Article number | EAN             | Packaging unit |
|--------|----------------|-----------------|----------------|
| Black  | 7314530        | 4 034303 030125 | 2 pieces       |
| White  | 7314532        | 4 034303 030156 |                |
