MOBILE, HEIGHT-ADJUSTABLE, MANUAL MOUNT - PDMHM-L

ORDER CODE: 100013383

Large Mobile Single Trolley for NEC Large Format Displays

Manual height-adjustable trolley for NEC Large Format Displays from 40” to 80”. The height can be adjusted by one person via hand or using a power drill. This trolley incorporates rounded edges and sleek features to give the cart a softer professional feel that fits well in corporate and classroom environments.

Delivering Genuine Benefits

- Single person height adjustment from 127 to 177 cm by hand or using a power drill
- Designed to load displays up to 90,7 kg
- Tool-less tilt adjustment with use of knobs (± 5°)
- Professional cable management along the trolley column
- Optional equipment available (accessory and camera shelf)
- Large rolling casters enable safe and easy maneuverability over various flooring surfaces
- Quick and easy installation
