Contour Disinfectant Wipes

Contour Disinfectant Wipes - Keep your Contour products clean!

With the Contour Disinfectant Wipes you can keep your Contour products clean of bacterias, fungis and virus. The disinfectant wipes are based on DESTIX® MA61, an 70% alcohol quick disinfection system that is suitable for all Contour products, but not suitable for alcohol unstable materials, such as acrylic glass.
Contact time: 1 Minute!

General Information

Contour Disinfectant Wipes are ready-to-use disinfectant agents suitable for the disinfection of devices, where there's risk of infection and quick contact time is needed. Especially dedicated for small surfaces and all areas where quick disinfection is required. The disinfection solution and the wipes cannot be used with invasive medical equipment such as surgical instruments, hearing aids, earmolds.

Contour Disinfectant Wipes are effective against bacterias (incl. MRSA), fungi (Candida Albicans, Aspergillus niger) viruses (BVDV, Vaccina, Noro, Rota). Product has mycobactericidal and tuberculocidal efficiency (M.Terrae, M. Avium). Contact time: 1 minute.

Contour Disinfectant Wipes are fragrance free, and the disinfection liquid is free of aldehydes, formaldehyde and phenols.
