

OFFICE antibacterial cleaning wipes, clean electronic devices/screens, 100 wipes, white

DELTACO

- Clean electronic devices and screens
- 100 wipes
- Antibacterial

DELTACO OFFICE antibacterial cleaning wipes with a chlorine based formula are designed for cleaning and disinfecting electronic devices, especially screens.

Usage: Remove the upper part from the container and open the package inside. Pull out a napkin from the center and pass it through the opening in the top. Assemble the top with the container and keep it closed to keep the napkins moist. Follow the cleaning instructions for the device you want to clean.

Caution: Keep out of reach of children!
