ACCESSORY

Air Sandblasting Suction Gun

Air Sandblasting Suction Gun

Item No.: 4133420

Ident No.: 11019

Bar Code: 4006825646788

The Einhell air sandblasting suction gun is the ideal addition to compressors from Einhell, for removing lacquer, paint and rust from surfaces and metal parts quickly, cleanly and easily using the sandblasting function. The air sandblasting suction gun requires a corresponding compressor for operation. A maximum of 7 bar is allowed to be applied and the sand grain size must not exceed a maximum of 0.8 mm in diameter. The product is supplied complete with a suction hose, suction tube and spare jet nozzles.

Features & Benefits

- Compressed air gun for sand-jetting operations
- Sand-jetting for removing lacquer/paint/rust from metal parts
- The diameter of the blasting material must not exceed 0.5 mm
- Supplied with suction hose, suction tube & spare jet nozzles
