Compatibility

Charge, Sync & Power

The adapter allows you to charge your USB-C devices via a USB-A port. It can output up to 3A current to charge your phone or accessory. It will also support up to 5Gbps data transfer rates to sync your photos, videos, music and files.

Super Ultra Construction

The ALOGIC Super Ultra range is crafted from superior materials and specially designed to guarantee a longer lifespan. The cable core is strengthened with synthetic fibre and reinforced with flexible nylon double braiding to provide maximum protection against all types of wear and tear. The cable head is constructed from thermoplastic (TPE) for maximum strain relief and finished with a metal alloy housing for additional durability

User Interface
