Introduction

The StarTech.com USB to RS232 DB9 or DB25 Serial Adapter Cable lets you add an RS232 serial port to a notebook or desktop computer through Plug and Play USB. This 3ft USB to RS232 Serial Adapter Cable lets you connect 9-pin or 25-pin (through included adapter) RS232 serial devices to bridge the compatibility gap between modern computers without serial ports and legacy serial peripherals. A cost-effective solution that is backed by StarTech.com's 2-year warranty.

Packaging Contents

- ICUSB232DB25 adapter cable
- DB9 to DB25 Adapter
- Driver Installation CD
- Instruction Manual

System Requirements

- USB enabled computer system with available USB port
- Microsoft® Windows® XP/Server 2003/Vista/Server 2008 R2/7 (32/64-bit), or Windows XP Embedded/CE 4.2/5.2, or Windows Mobile 5/6, or PocketPC 2003, or Apple® Mac OS® 10.1 or later, or Linux®

Installation

Driver Installation

Windows XP/Server 2003/Vista/Server 2008 R2/7

1. Turn the computer on and boot into Windows. Do not have the USB adapter plugged into the computer.
2. Insert the Driver CD into your CD/DVD drive. If AutoPlay runs, then choose to "Browse the CD", otherwise access the contents of the CD via "My Computer".
3. In the "Prolific/PL2303X" location, open the appropriate folder for your operating system and run the setup.exe file. This will launch the driver installation wizard.
4. Once the installation wizard completes, the drivers will be installed and ready for use.

Hardware Installation

1. Make sure the driver installation has been completed first.
2. Plug the USB adapter into an available USB port on the computer system.
3. Windows will automatically detect the USB adapter and install the drivers.
4. Once installation is complete, the serial port will be ready for use.
5. If connecting the serial port to a DB25 interface, use the included DB9 to DB25 (male) adapter.

Verifying Installation

Windows XP/Server 2003/Vista/Server 2008 R2/7

From the main desktop, right-click on "My Computer" ("Computer" in Vista/7), then select Manage. In the new Computer Management window, select Device Manager from the left window panel.

Double-click on the "Ports (COM & LPT)" option. The additional COM port should be visible.

Specifications

Bus Interface	USB 2.0
Chipset ID	Prolific PL2302HXD
Connectors	1 x 9-pin DB9 male 1 x USB type A male
Supported Protocols	RS232
Maximum Data Transfer Rate	230Kbps
FIFO Buffer	512B
Integrated Cable Length	90cm/3ft
Operating Temperature	0°C ~ 60°C (32°F ~ 140°F)
Storage Temperature	-20°C ~ 80°C (-4°F ~ 176°F)
Humidity	0 ~ 90% RH

Warranty Information

This product is backed by a two year warranty.

In addition, StarTech.com warrants its products against defects in materials and workmanship for the periods noted, following the initial date of purchase. During this period, the products may be returned for repair, or replacement with equivalent products at our discretion. The warranty covers parts and labor costs only. StarTech.com does not warrant its products from defects or damages arising from misuse, abuse, alteration, or normal wear and tear.

Limitation of Liability

In no event shall the liability of StarTech.com Ltd. and StarTech.com USA LLP (or their officers, directors, employees or agents) for any damages (whether direct or indirect, special, punitive, incidental, consequential, or otherwise), loss of profits, loss of business, or any pecuniary loss, arising out of or related to the use of the product exceed the actual price paid for the product. Some states do not allow the exclusion or limitation of incidental or consequential damages. If such laws apply, the limitations or exclusions contained in this statement may not apply to you.

Hard-to-find made easy. At StarTech.com, that isn't a slogan. It's a promise.

StarTech.com is your one-stop source for every connectivity part you need. From the latest technology to legacy products — and all the parts that bridge the old and new — we can help you find the parts that connect your solutions.

We make it easy to locate the parts, and we quickly deliver them wherever they need to go. Just talk to one of our tech advisors or visit our website. You'll be connected to the products you need in no time.
