

EPOS

IMPACT 200 Series

Maintain energy and focus with clear communication between you and your listener and enjoy robust wired headsets with all-day comfort. In busy contact centers these headsets are both reliable and user-friendly

We are rebranding from EPOS | SENNHEISER to EPOS branding on our products. During the transition period the same product may exist in both versions

Key Features

Enjoy all-day wearing comfort

Acoustic foam ear pads with soft leatherette covers and CircleFlex™ dual-hinge ear cup system for a perfect fit

Experience communication with clarity

With EPOS Voice™ technology and noise-cancelling microphone for natural, clear conversation

Benefit from robust design

Durable construction with lightweight, metal reinforced headband designed for years of daily use

Protect your hearing

From acoustic shock with EPOS ActiveGard® technology

Easy call management

With in-line call control unit to mute, adjust volume and answer/end calls
