

USB 3.2 Gen1 / 3.1 Gen 1

JetFlash 790C

Transcend's JetFlash790C is a capless USB flash drive with a retractable USB Type-C connector. Featuring a USB 3.2 Gen 1 interface and capacities as high as 256GB, JetFlash790C offers a quick and convenient storage experience wherever you go.

Supporting USB Type-C devices

Transcend's JetFlash 790C flash drive is designed with a USB 3.2 Gen 1 interface and a USB Type-C connector. It allows you to easily transfer files among smartphones, tablets, and PCs.

Retractable connector

Transcend's JetFlash 790C comes in a capless, retractable design that not only protects the device and its contents, but is compact and easy to carry around. Say goodbye to worries over losing that end cap!
