

Wireless Selfie Tripod

SKU: TESELFIEBTALTRIPODK

Selfie stick with tripod that will meet all your requirements for selfies, video calls and live streaming

EXTENDABLE, DURABLE ROD

The **Wireless Selfie Tripod** allows you to take selfies anywhere, from any angle, wirelessly. This accessory is a **selfie stick which extends up to 50cm** so you can capture your best moments.

The **metal finish** provides extra strength to prevent damage from dropping or bending. The **soft coating is pleasant** to the touch, making taking selfies even more enjoyable.

ROTATES AND TILTS

Choose the best viewing angle. With its **360-degree rotatable arm**, you can take photos of the countryside in landscape mode or select portrait mode for the perfect close-up.

WIRELESS REMOTE CONTROL

You don't need to be close to your smartphone, simply press the button on the convenient **wireless remote control** included to take photos **up to 10 metres away**.

INTEGRATED TRIPOD

Snap photos or take part in video calls with total stability. The Wireless Selfie Tripod can be converted into a practical **tripod**, thanks to the integrated rods.

Position it in front of your sofa and make video calls in total comfort by tilting it until you find the ideal viewing angle. **Rubber feet** ensure a firm grip on the ground.

SMALL SIZE

When you've finished using it, simply put in your bag or even your pocket. This accessory has a **compact design** of just **18cm**.

DISTINCTIVE FEATURES:

- the extendable rod allows for longer distance selfies, perfect for group photos or photos with wide backgrounds
- the rotatable arm makes the stick more dynamic, allowing you to take selfies from as many angles as possible
- the wireless remote control has a range of up to 10 metres
- the aluminium finish and the soft coating give the stick greater resistance and a more pleasant feel

THE PACKAGE INCLUDES:

- selfie stick with rubber tripod
- wireless remote control
