## RJ45 UTP plug Cat6A for AWG23-24 stranded/solid conductor 50 Pcs. Box

RJ45 plug used for mounting on stranded/solid cable. New terminating principle (easy connect) simplifies the terminating by allowing the conductors to be pulled through the front of the connector. The performance is optimized by the reduction of distance between pair twist and contact pins.

- Inner Wire Diameter Range = 1.05~1.1MM
- Diameter Range for Cable = 5.5~6.3MM
- Easy-Connect
- 50 pcs in the Box

### Specifications

|                     |                       |             |
|---------------------|-----------------------|-------------|
| Features            | AWG wire size         | 23/24       |
|                     | Cable shielding       | U/UTP (UTP) |
|                     | Cable standard        | Cat6a       |
|                     | Connector form factor | Straight    |
|                     | Connector gender      | Male        |
|                     | Connector(s)          | RJ45        |
|                     | Product colour        | Transparent |
| Packaging content   | Quantity per pack     | 50 pc(s)    |
| Vendor information  | Brand Name            | Lanview     |
|                     | Warranty              | 25 Year(s)  |
| Weight & dimensions | Outer diameter        | 6.3 mm      |
