CONCEAL
CABLES

MicDrop is a simple cable weight designed for quick and easy positioning of a lavalier microphone. MicDrop helps to pull the microphone cable downwards through clothing allowing you to easily plug it in to your body pack transmitter or recording device, saving time and minimising disruption while recording.

- Simple cable weight for lavalier microphones
- Makes mic'ing up talent quick and easy
- Compatible with all RØDE lavalier microphones, including the industry-standard Lavalier, Lavalier GO and smartLav+
- Made from brass with a satin nickel finish
