- 5-pin cylinder for maximum pick resistance
- Dual locking levers for added protection from prying and hammering
- Limited Lifetime Warranty

Product Details

The Master Lock No. 1950EURD Solid Brass Padlock features a 50mm wide solid brass lock body that is strong, durable and resists corrosion. The 8mm diameter shackle can be adjusted from 60mm to 150mm long for application flexibility; and is made of hardened steel, offering extra resistance to cutting and sawing. The 5-pin cylinder prevents picking and the dual locking levers provide resistance against prying and hammering. The Limited Lifetime Warranty provides peace of mind from a brand you can trust.
