Product Details

The Master Lock No. 5900EURDWHT Safe Space® Small Combination Lock Box with Cable is ideal for “on-the-go” security. Ideal for recreation, campus, office, travel or leisure use. It includes a cable to wrap securely around a fixed object or use as a carrying handle. A built in slot for headphone or charging cable allows to listen music or charge electric devices while they are secured or being transported. It is designed to secure cell phones, wallets, MP3 players, watches and other small but expensive to replace items that are especially vulnerable to theft.
