#### Transfer rate

Up to 5 Gbit/s

#### Plug & Play

Yes

#### LED

Power

#### Power supply

USB-powered

#### Power adapter (optional)

DC 5 V/4 A (not included)

#### DC-Plug dimensions

Outside Ø 3.5 mm, inside Ø 1.45 mm, length 9.5 mm

#### Operating system

Windows®, macOS®

#### System requirements

One free USB 3.0 Type-A port and 3.5 mm audio inputs/outputs on your host computer; additionally a standard household ~230 V power socket

## ICY BOX **IB-HUB1430-CR** USB 3.0 multiport in-desk hub

### Interface versatility

The most popular ports are present in this little round: The conventional USB Type-A as well as the newer USB Type-C® ports are a must! The most common card formats SD and microSD are embedded here, as well as connections for headphones or headset. And if you need a table fan close by on hot summer days, it can be conveniently connected via the standard household EU socket.

### Fits perfectly

All tabletop thicknesses up to 45 mm are perfectly suited for the installation of this in-desk hub. In case of a narrower table top, simply tighten the corresponding fastening ring under the table via the thread until the hub fits perfectly and no longer wobbles. If your piece of furniture does not already have an 80 mm hole from the manufacturer side, you can decide for yourself where to drill the hole.

### The ultimate order

Enjoy the elegance and tidiness on your desk with the variety of connections within reach that this hub offers. And at the end of the day, use the matching protective cap to shield all connections from dust.

#### Logistical data

**Packing unit:** 20 pcs. / carton  
**Total weight:** 12.86 kg  
**Gross weight:** (with packing): 0.580 kg  
**Net weight:** 0.405 kg

**Dimension / carton:** 610x270x500 mm  
**Dimension (with packing):** 117x117x225 mm  
**Dimension of article:** 110x110x60 mm  
**Country of origin:** China
