

769324 24-Port Keystone Cat.6A Shielded Patch Panel, Black

Product Images

Short Description

1. 19", 1U
2. Snap-in mounting
3. Including support bar

Description

The equip® Patch Panel is a 19" 1U network distribution unit integrating cable management system for better routing and strain relief requirements, suitable for both LSA and 110 standards. Featuring 24 ports, this patch panel is recommended to connect with equip® shielded keystone jacks and cables to achieve outstanding performance. Moreover, each port is marked with port number for recognition.

Additional Information

Null panel	No
