

QUICK INSTALLATION GUIDE

SV9450

GB: Point your antenna in the direction of the nearest transmitter for best reception and most channels possible. For closest transmitter, check www.ofa.com/antenna or look at roof aerials in your local areas. Or download the FREE OFA Assistant App.

DE: Richten Sie Ihre Antenne in Richtung des nächstgelegenen Senders, um den besten Empfang und die meisten Kanäle zu empfangen. Den nahegelegensten Sender finden Sie unter www.ofa.com/antenna. Oder laden Sie die KOSTENLOSE OFA Assistant App herunter.

FR: Pointez votre antenne dans la direction de l'émetteur le plus proche pour une meilleure réception et la plupart des canaux possibles. Pour connaître l'émetteur le plus proche, consultez le site www.ofa.com/antenna ou regardez les antennes de toit dans votre région. Ou téléchargez l'application gratuite OFA Assistant.

IT: Puntare l'antenna nella direzione del trasmettitore più vicino per una migliore ricezione e più canali possibili. Per i trasmettitori vicini si prega di controllare: www.ofa.com/antenna. Oppure scarica l'app GRATUITA OFA Assistant.

ES: Dirija su antena en dirección del transmisor mas cercano para la mejor recepción y asi captar la mayor parte de canales posibles. Para verif car donde esta el transmisor mas cercano por favor vea: www.ofa.com/antenna. O descargue la aplicación OFA Assistant GRATIS.

Download the FREE antenna setup App

The diagram is split into two panels by a vertical red line. At the top center, a large stylized eye icon looks down at the two panels. In the left panel, a television screen displays 'Tuner Mode' and 'Antenna'. Below the screen, a hand holds a remote control with red signal waves emanating from it. In the right panel, the television screen displays 'Channel Search' and 'Scanning For Channels' with a progress bar. Below the screen, a hand holds a remote control with red signal waves emanating from it.
