

Amica
for living

OSC5212B

FUNCTIONALITY

Number of speed : 3

Maximum time of delay : 0 min

Type of work :

Extraction/Recirculation

Carbon filter type : FWU 50

Colour : steel painted – black

Type of lighting : LED

Maximum Air Flow : 171 m³/h

Net depth : 470 mm

Net height max : 85 mm

Net height min : 85 mm

Net weight : 3.6 kg

**Sound Power Emission at
Maximum Speed Available in
Normal Use [Intensive or Boost
Excluded] :** 63 dB

**Sound Power Emission at
Minimum Speed Available in
Normal Use :** 53 dB

Energy class : C

Annual energy consumption :
41.7 kWh/annum

Lighting : 4 W

Number units of lighting : 1

**Distance from light cover to
wall :** 17 mm

Distance to electric hob : 450 mm

Distance to gas hob : 650 mm

Dimensions of grease filter : 300 x 390 mm

Number of motor units : 1

Air exhaust diameter : 120 mm

Power rating : 89 W

Power supply voltage : 230V

Frequency : 50Hz

EQUIPMENT

Type of control : Slider

Type of grease filters : Aluminum mesh

Number of layers in grease filter : 2

Number of grease filters : 1

LOGISTICS DATA

Gross depth : 120 mm

Gross height : 530 mm

Gross width : 530 mm

Gross weight : 4.33 kg

Plug type : Euro plug

Gross volume : 0.0337 m³

Stacking limit : 10

Power cable length : 220 cm
