## G220 Wireless Keyboard Nordic

Work comfortably with the sleek G220 full-size wireless keyboard that packs a low-profile layout and function keys into a slim design to give you more space on the desk.

The smaller profile and quiet keys in a familiar full-size layout gives you all the right keys exactly where you'd expect them for accurate typing and optimized productivity.

With the 2.4 GHz wireless USB dongle connectivity, you can enjoy a steady connection up to 20 meters.

## Specifications

|          |                              |                                  |
|----------|------------------------------|----------------------------------|
| Battery  | Battery Size                 | LR06                             |
