

- Minimum space requirements with only 5.25 liters
- Supports ITX and m-ATX mainboards
- VESA wall-mountable with optional kit
- Available with 85W and 120W external PSU

This tiny case offers the ideal combination of small footprint, while supporting mainstream office systems with up to 2 SSD's, ITX or m-ATX mainboard and front USB and Audio ports. Whether standing vertically, lying horizontally or mounted behind the screen (with optional VESA mounting kit), this case will fit in perfectly in a variety of situations.

Compatible with our 85W or 120W AC-DC adapters with DC-DC converter boards, these can deliver enough power for small-form-factor systems.
