

DIGITUS LED Monitor Light with Clamp Mount

DA-90415**EAN 4016032475033****LED Monitor Bar Light 5W, 250lm, clamp, black**

The DIGITUS® LED Light delivers the right lighting conditions in all situations. Choose between cold working light or warm cozy light at different increments and of course in different brightness levels – all conveniently adjustable via touch control. The last light setting remains saved until the next use and does not need to be reconfigured. Installation is carried out with a simple clamp mount on the display, power supply is provided via an enclosed USB connection cable. The minimalist light body sets stylish and sophisticated accents on any desk.

A photograph of a desk setup. On the left is a silver laptop with a white screen showing a document. In the center is a large black monitor on a stand, displaying a line graph with multiple colored lines (red, green, blue, yellow) and a grid. In front of the monitor is a white keyboard and a white mouse. To the right of the mouse is a white box of tissues. The desk is a light-colored wooden surface.
