

# Product fiche

Delegated Regulation (EU) 65/2014

|                                                                               |                          |
|-------------------------------------------------------------------------------|--------------------------|
| Supplier name or trademark                                                    | <b>Electrolux</b>        |
| Model identifier                                                              | <b>LFG516X 942022582</b> |
| Annual Energy Consumption                                                     | <b>96,1 kWh/annum</b>    |
| Energy Efficiency Class                                                       | <b>C</b>                 |
| Fluid Dynamic Efficiency                                                      | <b>16,5</b>              |
| Fluid Dynamic Efficiency class                                                | <b>D</b>                 |
| Lighting Efficiency                                                           | <b>38,0 Lux/W</b>        |
| Lighting Efficiency class                                                     | <b>A</b>                 |
| Grease Filtering Efficiency                                                   | <b>65,1 %</b>            |
| Grease Filtering Efficiency class                                             | <b>D</b>                 |
| Air flow (min speed normal use)                                               | <b>285 m³/h</b>          |
| Air flow (max speed normal use)                                               | <b>450 m³/h</b>          |
| Air flow (intensive or boost use)                                             | <b>600 m³/h</b>          |
| Airborne acoustical A-weighted sound power emissions (min speed normal use)   | <b>50 dB</b>             |
| Airborne acoustical A-weighted sound power emissions (max speed normal use)   | <b>60 dB</b>             |
| Airborne acoustical A-weighted sound power emissions (intensive or boost use) | <b>66 dB</b>             |
| Power consumption in standby mode (W)                                         | <b>0,49 W</b>            |
