LIFT FOR BUSINESS

VERTICAL ERGONOMIC MOUSE

Lift for Business is an approachable, inviting and easy-to-use vertical mouse, ideal for smaller hands. It's designed for comfort and well-being at the desk to help people feel better while working.

IDEAL FOR

- IT professionals who want secured wireless connectivity and the ability to remotely deploy and manage Logitech DFUs and Logi Options+.
- Users who want to use a vertical, ergonomic mouse to reduce wrist and hand movement for all-day comfort.

PRODUCT BENEFITS

- Hand placement at an optimal 57° angle for comfort
- Precision and speed scrolling with SmartWheel
- Built for scale - Globally available and certified in 100+ countries, 2-year limited hardware warranty, support for IT professionals and business users
- Ergo certified - Lift was designed, developed, tested and approved according to criteria set out by leading ergonomists
- Four, easy to reach customizable side buttons[1]
- Wireless with two ways to connect: Logi Bolt USB receiver, *Bluetooth*® Low Energy Wireless Technology
- Logi Bolt is Security Mode 1, Security Level 4 and the Logi Bolt USB receiver is pre-paired out-of box[2]
- 24-month battery life with a single AA battery[3]
